**SPIEL:** Cities/municipalities are affected by different [SHOCK]s - adverse events that can lead to illness, injury, or death; loss of livelihood, and/or public/private property damage. I want to ask you about the shocks that your city/municipaliy has experienced.

**Ang mga siyudad at munisipyo ay naapektuhan ng mga [SHOCK] o mga di inaasahang pangyayari na talagang nakakapinsala. Kasama sa epekto ng mga [SHOCK] na ito ang pagkasakit, pagkasugat, or pagkamatay ng mga tao, kawalan ng hanapbuhay, at pinsala sa pampubliko o privadong property. Magtatanong ako tungkol sa mga shocks na naranasan ng inyong siyudad/munisipyo.**

**Ask questions for [SHOCK] code 8 (Pest infestation, crop diseases) if the respondent answered codes 1 or 2 in B2.3. [SHOCK] code 7 (Biological hazards) are only relevant to outbreaks of Leptospirosis.**
